Re: APC

Dear Mr. Langer:

Enclosed is the APC unit delivered for testing to the FBI Laboratory. Thank you very much for the opportunity to evaluate your product. The Armor Piercing Containment System performed extremely well, exceeding the standards set forth by your corporation. For your records, I have included a chart representation of the test that was performed on the unit.

As was mentioned in your conversation with examiner trainee [redacted] on May 18, 2000, I will await the return of the rebuilt unit.

Sincerely,

[redacted]  
Firearms-Toolmarks Unit  
FBI Laboratory Division

I certify that this letter and the attached APC-100 Test Report is authentic.
